## FAX, SCAN, PRINT!

Faxing may seem like old tech, but sometimes you find yourself needing a place to send a fax ASAP! The library offers faxing service for \$1 per page.

You also have the option to scan and print at the library. Our copier scanning functions allow you to scan and email your documents straight to your recipient. Scanning is free, unless you require extensive staff assistance. Then scanning costs 10¢ per page.

Printing and copying is 10¢ per side for black and white pages and 50¢ per side for color pages. You have the ability to print wirelessly from your device, though this may require downloading an app. If you want to print wirelessly, be sure to ask the librarian for the Lib Admin Wi-Fi password the first time, as our printer is on a different network.

## Put the Holi in holiday with some Hindi.

Transparent Language®

Our DVD collection has grown so much, we pulled out some **special collections** (Nonfiction, Classics, Musicals and TV Series). These DVD collections are shelved just past the DVD sleeves and Catalog computers, near the New Adult Nonfiction.
